Family Fun

Choose an activity your child likes and do it together as a family. It may be taking a walk around the neighborhood or playing a game together. At the end of the activity, have a prayer time. Thank God for making families, and thank God for each member of your family.

Working Together

Get the family involved in a project. Make sure there is something for each family member to do. Talk about the importance of family members working together. When finished with the project, enjoy a treat. Remember to thank God for making families.
